

HERITAGE HORSESHOES

Recognizing the passion and dedication of equestrians and horses

HERITAGE HORSESHOE PROGRAM

Whether your passions lie in jumping, racing, reining, rodeo, trail riding, dressage, equine therapy, family riding or otherwise, the Heritage Horseshoe program offers a unique and meaningful way to recognize your favorite ride while providing vital support to the National Western Center's new [Equestrian Center](#).

The Heritage Horseshoe program will allow donors to honor their favorite horse, owner, or ranch with two types of attractive, horseshoe-adorned plaques.

Donations of \$1,000 receive a wooden plaque – 8" x 8" – with one horseshoe, a large nameplate above the horseshoe, and a smaller nameplate below it.

Donations of \$2,500 are commemorated with a larger wooden plaque – 8" x 12" – with two horseshoes, a large nameplate above them, and smaller nameplates below them. With both options, the smaller nameplates are perfect for honoring and memorializing favorite horses, equestrians, and ranches past and present.

Heritage Horseshoe plaques will be prominently displayed in the National Western Center's new Equestrian Center. This incredible new facility will be among the nation's finest, fostering greatly improved participant, visitor, and exhibitor experiences while availing vastly expanded capacity for a plethora of year-round horse shows and events.

The Heritage Horseshoe program is a great way to honor the horses you love while helping spur the creation of both the Equestrian Center and, more broadly, the new National Western Center, one of the nation's most ambitious redevelopments and one destined to become a centerpiece of the West.
