

LEGACY BRICK PROGRAM

The Legacy Brick program is a great way to cement your passion for the National Western into the Stock Show's new world headquarters while providing vital support to the Honoring the Legacy campaign for the new National Western Center.

The program's contributors will receive a century-old brick preserved from the historic National Western Yards and inscribed with your name or that of someone you'd like to honor. The bricks will be prominently displayed in the National Western Center's new Legacy Building.

This one-time opportunity to own and publicly share a piece of National Western history is available for a one-time contribution of \$500.

The National Western Center will be more than a new home commensurate with the Stock Show's greatness. This will be a global destination for agricultural heritage and innovation, education, research, Western art, and more. The Center will serve as a center of gravity for Western values and culture for generations to come while honoring the legacy of those whose courage, creativity, hard work, and grit shaped the West into the remarkable place it is today.

The Legacy Brick program carves out a place for you or someone you love in the new National Western Center, and your gift will help us realize, in bricks and mortar, this vital new centerpiece of the West.
