

EQUESTRIAN CENTER

The Equestrian Center will include:

- A 4,000-seat Arena that will be multi-use with a 360-degree configuration.
- A climate controlled 132,000-square-foot horse barn with nearly 600 stalls.
- 120-by-200-foot paddock directly connected to the Arena.
- A spacious Lobby and Ticketing Area.
- Indoor space for exhibitors and vendors.
- Easy access to the adjoining Colorado State University Animal Health Building, which includes the Temple Grandin Equine Center, the Equine Sports Medicine Center, and a Community Small Animal Veterinary Clinic.
- A multi-level parking garage directly adjacent to the north of the Equestrian Center. The garage can also be used for horse stalling in warmer weather.
