

a campaign for the National Western Center

Friends, we are making our way through the 116th Stock Show! Despite a few challenges, all is going well. We are tiptoeing towards \$100MM – one gift at a time. We are over \$91MM, with lots of great follow-up to be done, pledges to be signed, and decisions to be made by those who want to support this once-in-a-lifetime opportunity!

A Message from Pete Coors

In lieu of a "regular" Roundup this month, I wanted to share some great photos we've been collecting as we go.

Two of our events – the January 7th Ribbon Cutting and the January 10th CoBank gift announcement – have their own photo albums online, so check them out!

We spent a few days in the new Cille and Ron Williams Yards last week talking with exhibitors, and I cannot wait to share those videos with you.

It's not too late to make your gift, so please call Angela if you would like to be a part of our

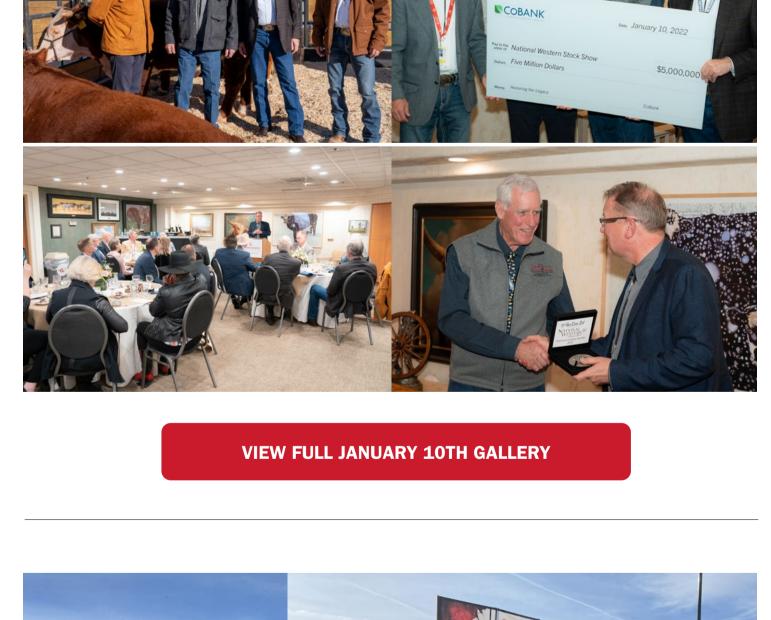

Campaign!
